

**Why
AGELESS PEPS Modern Wellness
For your Clinical Use
Peptide Therapies?**

ACCURATE + RELIABLE DOSING

MADE IN THE USA

THIRD PARTY TESTED FOR 99% PURITY

MEDICAL SUPERVISION + SCREENING

INSTRUCTIONS BY RN STAFF

PROTOCOLS DESIGNED FOR RESULTS

THE NEXT EVOLUTION IN OPTIMIZATION

**with high-purity
peptide therapies**

Verified for quality.
Designed for performance.
Built for longevity.

PEPTIDE THERAPIES

PEPTIDE PROTOCOLS

TRIPLE G™ GLP-3R

Vitality Index:
Inflammation / Rejuvenate

Triple agonist that targets GLP-1, GIP, and glucagon receptors for weight loss.

POWER COUPLE™ CJC-1295 NO DAC/IPAMORELIN

Vitality Index:
Rejuvenate

Amplifies GH release, promoting muscle growth, fat loss, and recovery.

LEAN MACHINE™ TESAMORELIN

Vitality Index:
Rejuvenate

Reduces visceral abdominal fat, enhances GH release, and supports muscle growth.

KLOW KLOW (GHK-CU/TB-500/BPC-157/KPV)

Vitality Index:
Pain / Inflammation / Rejuvenate

Maximizes tissue repair while aggressively controlling inflammation.

HEALING STACK™ WOLVERINE (BPC-157/TB-500/MGF)

Vitality Index:
Detox / Pain / Inflammation / Rejuvenate

Maximum tissue regeneration and muscle growth in damaged areas.

RAPID REPAIR™ BPC 157

Vitality Index:
Inflammation / Rejuvenate / Cellular Health

Accelerates tissue repair in muscles, tendons, and ligaments. Reduces inflammation. Supports gastrointestinal health.

BRAIN BLISS™ SELANK / SEMAX

Vitality Index:
Rejuvenate

Synergistically boosts focus and memory while simultaneously calming anxiety.

ALPHA IMMUNE™ THYMOSIN ALPHA-1

Vitality Index:
Inflammation

Thymus gland peptide that strengthens immune response by stimulating T-cells. Exhibits potent antiviral activity, suppresses chronic inflammation, and bolsters innate immunity.

IMMUNITY PUNCH™ LL-37 (CAP-18)

Vitality Index:
Detox / Inflammation

Combats bacterial/viral/fungal infections, supports wound healing, and modulates immune response.

FOREVER YOUNG™ EPITALON

Vitality Index:
Rejuvenate / Cellular Health

Activates telomerase, influencing telomere length. Supports anti-aging, longevity, and regulates circadian rhythm/melatonin production.

MITO PROTECT™ SS-31

Vitality Index:
Cellular Health

Protects mitochondria, reduces oxidative stress, and supports longevity/cellular resilience.

CELL POWER™ MOTS-C

Vitality Index:
Cellular Health

Consisting of 16 amino acids, MOTS-C plays a key role in cellular metabolism and mitochondrial communication.
