Announcing New Clinical Use Peptide Therapies

From: RISE Modern Wellness · *Sample patient announcement email*

Hi [Patient Name],

We're excited to announce that RISE Modern Wellness will be offering 12 new clinical use peptide therapies starting May 1.

These advanced treatments are designed to support fat loss, muscle retention, focus, energy, cellular health, and much more.

Compounded for your unique wellness goals, each therapy is the result of our commitment to quality and proven results.

Not all peptide therapies are created equally. At RISE Modern Wellness, we prioritize quality, purity, and efficacy, ensuring that our therapies stand out from the rest.

 **To learn more about what makes our therapies unique, we invite you to join us at our Meridian location on Wednesday, April 29 at 4:30 PM.**

During this informative event, our team will discuss the benefits and science behind clinical use peptide therapies.

Whether you're new to peptides or seeking to optimize your wellness journey, this is the perfect opportunity to ask questions and discover how RISE Modern Wellness can support your needs. **And you'll get a free gift!** 🎁
